Dear colleagues, dear friends!
We invite you to participate in the work of group of authors with the purpose of writing a multi-authored monograph on a topic:

Economic development strategies: micro, macro and mesoeconomic levels

---

Monograph will consist of three parts:
Part 1. Management of national economy development.
Part 2. Territorial development: strategic context.
Part 3. Strategic business management: planning and forecasting.

Authors of the multi-authored monograph will necessarily receive 1 copies of the publication. Each co-author of the monograph receives the Participation Certificate

For the participation in writing the multi-authored monograph are invited scientists, lecturers and postgraduate students. Scientific papers of postgraduate students must be sent solely in co-authorship with academic adviser.

Materials are accepted in **Ukrainian**, **Russian**, **Polish**, **English**, **Lithuanian** and **Lettish languages**.

Future publication will be the work of collective of authors cohered to represent findings of their researches. Coordination of work on the multi-authored monograph will be carried out by ***Rita Bendaravičienė***, Dr. of Economics, Professor, Dean of Faculty of Economics and Management, Vytautas Magnus University (Kaunas, Lithuania).

The monograph will be published by the European publishing house **"Baltija Publishing"** (Riga, Latvia) with the awarding of an **ISBN** number, which will allow the authors to take part in a collective scientific work published in a country of the European Union. **DOI** will be assigned for each article from the monograph.

In addition we would like to inform you that participation in the monograph preparation, ready for press in countries of the European Union, is the confirmation of international scientific cooperation in the attestation for awarding academic degrees to scientific and academic workers according to the Resolution of the Cabinet of Ministers of Ukraine № 656 on 19.08.2016. Moreover, in accordance with the updated requirements of the Ministry of Education and Science of Ukraine on the procedure of awarding scientific degrees to scientific and academic workers the lack of sufficient amount of scientific papers in periodicals included in such scientometric bases as **Scopus** or **Web of Science** can be substituted by the publication of monograph in English (*Chapter II, Paragraph 2.4 of the Procedure for Awarding Scientific Degrees to Scientific and Academic Workers, approved by the Order of the Ministry of Education and Science of Ukraine on 14 January 2016 №13*).
The publication in the collective monograph refers to scientific publications, which cover the main results of the dissertation according to *paragraph 11 of the Resolution of the Cabinet of Ministers of Ukraine № 167 of 06.03.2019 "On the experiment of awarding the degree of Doctor of Philosophy"*.
In addition, according to *paragraph 2 of the Order of the Ministry of Education and Science of Ukraine № 1220 of 23.09.2019 "On publication of the results of dissertations for the degree of doctor and candidate of sciences"* the main scientific results of the dissertation for the **degree of doctor of sciences** must be covered in at least 20 scientific publications, which include no more than two monographs (or two sections in collective monographs). For approbation of the results of the dissertation for the **degree of candidate of sciences** the main scientific results must be covered in at least three academic papers, which include articles in scientific publications included in the list of scientific publications of Ukraine (instead of one article may be counted monograph or section of a monograph published in co-authorship).
